

## Special Religious Education (SRE) Participation Letter

A feature of the public education system in NSW is the opportunity to provide time in class for education in ethics, faith and morality from a religious or non-religious perspective. Parents have the option to decide whether they would like their child to participate in these scripture lessons.

SRE at Robert Townson High School will be delivered by staff from the Campbelltown Area High Schools Ministry and is Inter-denominational Christian.

The school website <https://roberttown-h.schools.nsw.gov.au/> provides information on these options to support parent/carer choice. For more information, click on the tab "Learning at our school" then on the link "Religion and ethics".

A parent/carer may, at any time, notify the school in writing that they wish to change their decision. Students will continue the same arrangement as the previous year unless a parent/carer has requested a change in writing.

For more information about Special Religious Education (SRE) and Special Education in Ethics (SEE), including the list of approved providers, please visit:

If your preferred SRE or SEE option is not available please contact the approved provider. Students not attending SRE or SEE are given supervised alternative meaningful activities.
